Portfolio Website: <https://salim1421.github.io/portofolio-website/>

Skills

- Languages: Python, HTML/CSS.
- Framework/Libraries: Django, Django RestFramework.
- Database: Postgresql, SQLite.
- Tools: Git, Github, VS Code.
- Others: RestAPI Design, Unit testing, ORM.

Professional Summary

Self-taught Django developer with hands-on experience building dynamic, database-driven web applications. Proficient in Python, Django, and REST API development, with a passion for crafting efficient, scalable, and user-centered solutions. Proven ability to learn quickly and apply new skills in real-world projects.

Projects

Blog Platform

Personal Project | Github Repo: github.com/salim1421/My_Blog_App

Built a full featured blog platform using Django, allowing users to create, read, update, and delete posts. Implemented user authentication, comment sections, like functionality, category and subcategory filtering, and user profile.

- **Technologies Used:** Django, Postgresql, Bootstrap, HTML/CSS.
- **Key Features:**
 - User Registration using email verification, login and logout functionality using Django's authentication system.
 - CRUD operations for blog posts, comments and like with custom permissions for authors.
 - Integrated Django RestAPI to manage users, posts, profile and other functionality.

Todo List

Personal Project | Github Repo: github.com/salim1421/Mytodo

Built a full featured todo app using Django, allowing users to create, read, update, and delete. Implemented user authentication, user specific page, a blog app, like functionality, category filtering.

- **Technologies Used:** Django, Postgresql, Bootstrap, HTML/CSS.
- **Key Features:**
 - User Registration, login and logout functionality using Django's authentication system.
 - CRUD operations for todo tasks, with user specific pages for users.
 - Integrated Django RestAPI to manage users, and blog posts.

Education

- Python for beginners - Programming with Mosh.
- Django - Celeb Curry.
- How to make a RestAPI - Tech with Tim.

Awards

- Django - Mindluster

Language

- English - Fluent
